RETAIL SOLUTIONS

WE SERVE YOU THE ART OF ORGANIZING FOR YOUR PLACES

WHAT DO WE DO?

With more than 20 years of experience, we take care of design, production as well as assembly for retail and distribution companies. Our company, which prioritizes quality and customer satisfaction as mentality, carries out production by international standards with its experienced team and state-of-the-art machinery. We provide our customers with solutions for any type of retail store.

OUR FACTORIES

Using the latest technology required in our field, our team operates in our production facilities with a total closed area in two buildings 6.000 sqm .

ATLAS CHECKOUTS

**Checkout counters for your requirements
with versatile choices and materials**

**Harmony of quality
and ergonomic
structure with the
options of metal and
wooden pieces!**

While it includes quality with its solid body structure, visual promotion opportunities thanks to its wide and flat areas, maximum protection and ease of use, it also aims at aesthetics with its different lighting and wood coating options and details that keep up with technology.
